

Rocket® Discover for IBM Connections

QUICK REFERENCE

The screenshot shows the Rocket Discover interface with a dashboard containing four charts: 'Quantity, Profit Margin by Country', 'Profit Margin by Country' (map), 'Profit Margin by Product Line', and 'Profit Margin, Quantity, Manufacturing Cost by Order Date'. A vertical 'BOOKMARK' bar is on the right. A 'STATUS UPDATE' notification is overlaid on the dashboard, and an 'IBM CONNECTIONS' menu is open, showing options like 'Status update', 'Bookmark', and 'Idea'. A notification at the bottom right says 'You have successfully published a bookmark to IBM Connections'.

- 1 Select IBM CONNECTIONS
- 2 Select Status update
- 3 Check Notification

- 1 Select IBM CONNECTIONS
- 2 Select Status update
- 3 Select App, Demo or Team
- 4 Check Notification

The screenshot shows the 'GlobalSales' page with a 'Comments' section. A comment by Frank Ziemia is visible, along with a reply. A vertical 'ADD COMMENTS' bar is on the left. A notification at the bottom says 'Comments can be added and posted between IBM Connections and Rocket® Discover'.

Comments can be added and posted between IBM Connections and Rocket® Discover

The screenshot shows the 'Rocket Build Discover Team' community files page. A file 'GlobalSales.csv' is listed. A context menu is open over the file, showing options like 'Add to Sync', 'Stop Following', 'Lock File', 'Give Copy to Community', 'Refresh', 'Move to Trash', and 'Explore in Rocket Discover'. A vertical 'EXPORT & EXPLORE' bar is on the left. A notification at the bottom says 'The dashboard is created successfully'.

- 1 Select the file in IBM CONNECTIONS
- 2 Select Explore in Rocket Discover
- 3 The dashboard is created
